

NEW THIS YEAR – Automated PDH Tracking.

When you arrive at the registration desk to pick up your registration badge and tickets, you will notice that after your name badge you will receive a badge which includes your name and a bar code specific to your registration. **Before** you enter the room for a **Pre-Conference Short Course**, a **Technical Session**, the **H. Bolton Seed Medal Award**, the **Karl Terzaghi Plenary**, or the **Ralph B. Peck Lecture** – you must scan your bar code badge in order to receive credit. The scanner will acknowledge a successful recording of your name for the specific session. We strongly recommend you scan your badge at the beginning of each session to eliminate any challenges and/or lines later.

PLEASE REMEMBER THE ONLY WAY TO RECEIVE PDH CREDITS IS IF YOU SCAN YOUR BAR CODE BADGE AT THE START OF EACH SESSION.

Look for a detailed instruction sheet when you receive your registration materials.

NOTE: The Lightning round sessions are not eligible for PDH credit.
